Welcome to the 21st Annual First Night® Fullerton New Year's Eve celebration! The City of Fullerton is proud to host such a positive event, one that brings our community together in celebration of the promise of a new year.

As we look ahead to the promises of the New Year, we find ourselves facing many challenges. That's why I believe events such as First Night® are so important in that they send a positive message that Fullerton is strong and confident about its future. First Night® embodies our hopes for a better community, one that we can all work together to achieve.

On behalf of the entire Fullerton City Council, I wish to extend my thanks to the many staff, volunteers, sponsors, artists, and patrons who make this night possible. Without them, this evening simply would not occur.

In closing, please accept my heartfelt good wishes to each of you for the happiest of New Years! I hope 2012 will be filled with peace, prosperity and fulfillment for us all.
