Subject. Error in Resolution No. 10-56 on W. Coyote Hills

June 10, 1010 Beverley White Fullerton City Clerk

RE: Error in the June 15, 2010 Agenda Item 15 Resolution 10-56 Pertaining to PRJ03-00075 etc. regarding the denial of Chevron/Pacific Coast Homes proposal for West Coyote Hills

Hi Bev.

I noticed an error in the resolution no. 10-56 on denial of request to develop W. Coyote Hills.

"Including improvements to the adjacent 72-acre Robert Ward Nature Preserve previously dedicated to the city;"

Since we now know this land was not a gift from Chevron, the line should read "Including improvements to the adjacent 72-acre Robert Ward Nature Preserve owned by the city;"

If the city chooses to not make the correction - will you please make my objection part of the permanent record for this resolution?

We should not continue the myth that the land was a gift.
